Dear Parents/Carers,

**Welcome to Rowley View Nursery School**

We are delighted to welcome you to Rowley View Nursery School. Starting Nursery is a big step for you and your child, and we are happy that you have chosen us to be part of your child's educational journey.

We are part of a Hard Federation with Alumwell Nursery School. We work closely together and my time is shared equally between both Schools. I am pleased to share that both were graded Outstanding by Ofsted in academic year 2023/2024. All staff work extremely hard to maintain these high standards on a day to day basis. Our children receive high quality learning each day and the learning environment has been developed over many years.

Your child's learning is documented on our School website. You can check out our School website here: - **https://www.rowley-view.walsall.sch.uk/**

We look forward to working with you this academic year. Please make sure your child's Key Worker is up to date and aware of any medical needs, allergies etc.

We have lots of exciting events and activities planned for the children between now and Christmas. Our next Newsletter will be sent at the end of the half term with all the relevant details for you.

We're also excited to share that our new School Minibus has arrived – more adventures are coming!

Yours sincerely

Mrs Armela Patel
