Child Protection and Safeguarding Policy

What is Child Protection about?

All the adults around you think that your health, your safety and your happiness are very important;

In our school, we respect and value you and want to protect your rights;

We do our very best to help you learn lots of new and fun things!

We teach you about risks and dangers and how you can look after yourself and stay safe.

What will the Adults do?

We will always try to provide a safe place for you to learn and play;

We want to make sure that you and all your friends stay safe at home and at school;

We want you to know that there is always someone in school for you to talk to if you are worried or unhappy.

If you need to talk – we will always listen

You can talk to any adult in the school;

You have the right to feel safe and happy;

Don't keep sad feelings to yourself – tell someone!

Don't keep a secret, share how you are feeling and we will help.
