Dear Parent / Carer

General Data Protection Regulation (GDPR) May 2018

From the 25th May 2018, new regulations will be introduced which affect how our School handles data. This is called the 'General Data Protection Regulation' (GDPR). Compliancy with the regulations will be an ongoing process and the School will be appointing a 'Data Protection Officer' to advise and manage compliancy.

We will be publicising policies, procedures and notices that are compliant with the new regulations in the forthcoming months and will keep you informed of any developments. In the interim, your child's data will be handled in accordance with legal principles.

In the meantime, we thank you for your patience whilst we take the necessary steps to ensure the School's compliancy with the requirements with 'Data Protection and Privacy'.

Thank you for your ongoing support

Yours faithfully

J. Julian
